

## **Prayer Ministry**

Prayer is so important, it builds our relationship with God. It helps us to overcome situations, it helps us to determine God's will. It strengthens us. Prayer is our greatest resource, all that we do should begin with prayer, end in prayer and have prayer running all the way through. It is important to pray individually but the Church also needs to come together in Prayer.

At Perry Beeches we have a Prayer Meeting every other Friday, coming together to pray for each other, the church, our community and the wider world. We encourage praying together and praying for each other during our services. We also have Prayer Days. Prayer does indeed change things.

For the exact dates for each meeting, to request prayer or any other information regarding prayer please contact Pastor Tracy Sweet on 07540739107.

***Philippians 4: 6-7***

*Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God, and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus.*
